

Dear Parents:

In accordance with the requirements for the School Trust Land Money, we are reporting to you how the money received by Koosharem Elementary was used last year.

Money received in the 2015-16 school year was used to provide an extra half hour for one of our instructional assistants during each day. This allowed the IA to be in the classroom during the times when core subjects were taught. Money was also used to purchase math practice workbooks, Storyworks, National Geographic, Weekly Reader, and Studies Weekly.

We appreciate the opportunity to serve you on the Community Council. If you have any ideas or suggestions for our council, we invite you to visit with any member of our Council and/or attend our Council meetings.

Thank you for your support,

Koosharem Elementary Community Council
